We are planning Fond du Lac Dock Spiders Baseball outing for Wednesday, August 10th. First pitch is at 6:35 pm. Tickets are \$12 each. All are invited to join us. Please find the sign-up sheet in the hub. Today is the last day to sign up.

As a reminder, we do offer the convenience of monthly giving via ACH. Forms can be found in the hub. If you have any questions regarding this, please see one of our deacons.

On Sunday, July 10, we will be having a congregational meeting after the morning service regarding the need for a new roof and windows. The current windows are original to this structure that was built in 1973. The roof is also in need of replacement, and we are going to go with a permanent, metal roofing option. More details will be distributed as soon as the final numbers are available.

Next week we will have cake, snacks, and fellowship in the basement after the service recognizing our graduates from this year.

Charis Classical Academy (CCA) is growing! CCA is a school whose mission is to partner with parents in preparing students for a lifelong pursuit of learning through classical methodology and joyful discovery; developing depth of character, wisdom, and a desire to engage their world for the glory of God. It started in 2012 with 21 students in grades K-4, and has grown to 150 students in grades K-12. Charis has been renting space, but with its growth, has needed to rent three spaces to accommodate the number of students for the past two school years. This has started to impede the mission of the school. We have searched for a permanent place to call home for several years, and we believe a great opportunity has finally come. We have an accepted offer on a great building, contingent on meeting our fundraising goal. If possible, please join us in making this dream a reality. First, we need prayers! Second, if you would like to help out monetarily, donations can be sent to:
Charis Classical Academy Building Fund
